# Arm Meets Enterprise Control

Secure | Managed | Enterprise-Ready

# Arm Is Everywhere, But Control Isn't

Retail

Manufacturing

Hospitality

Healthcare

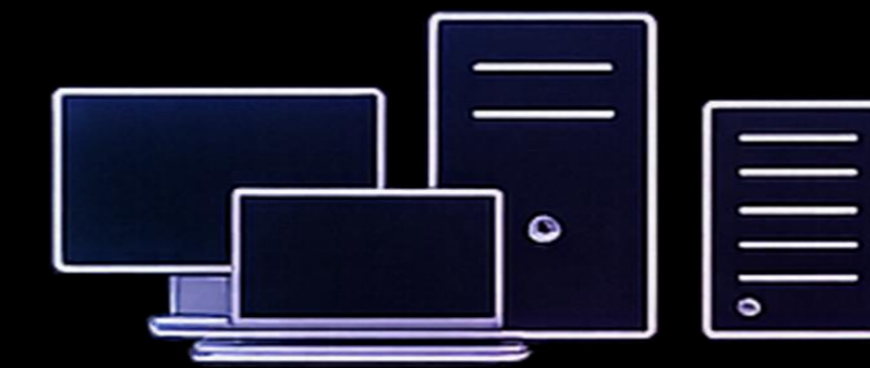

Defense

# Arm grew outside of IT control

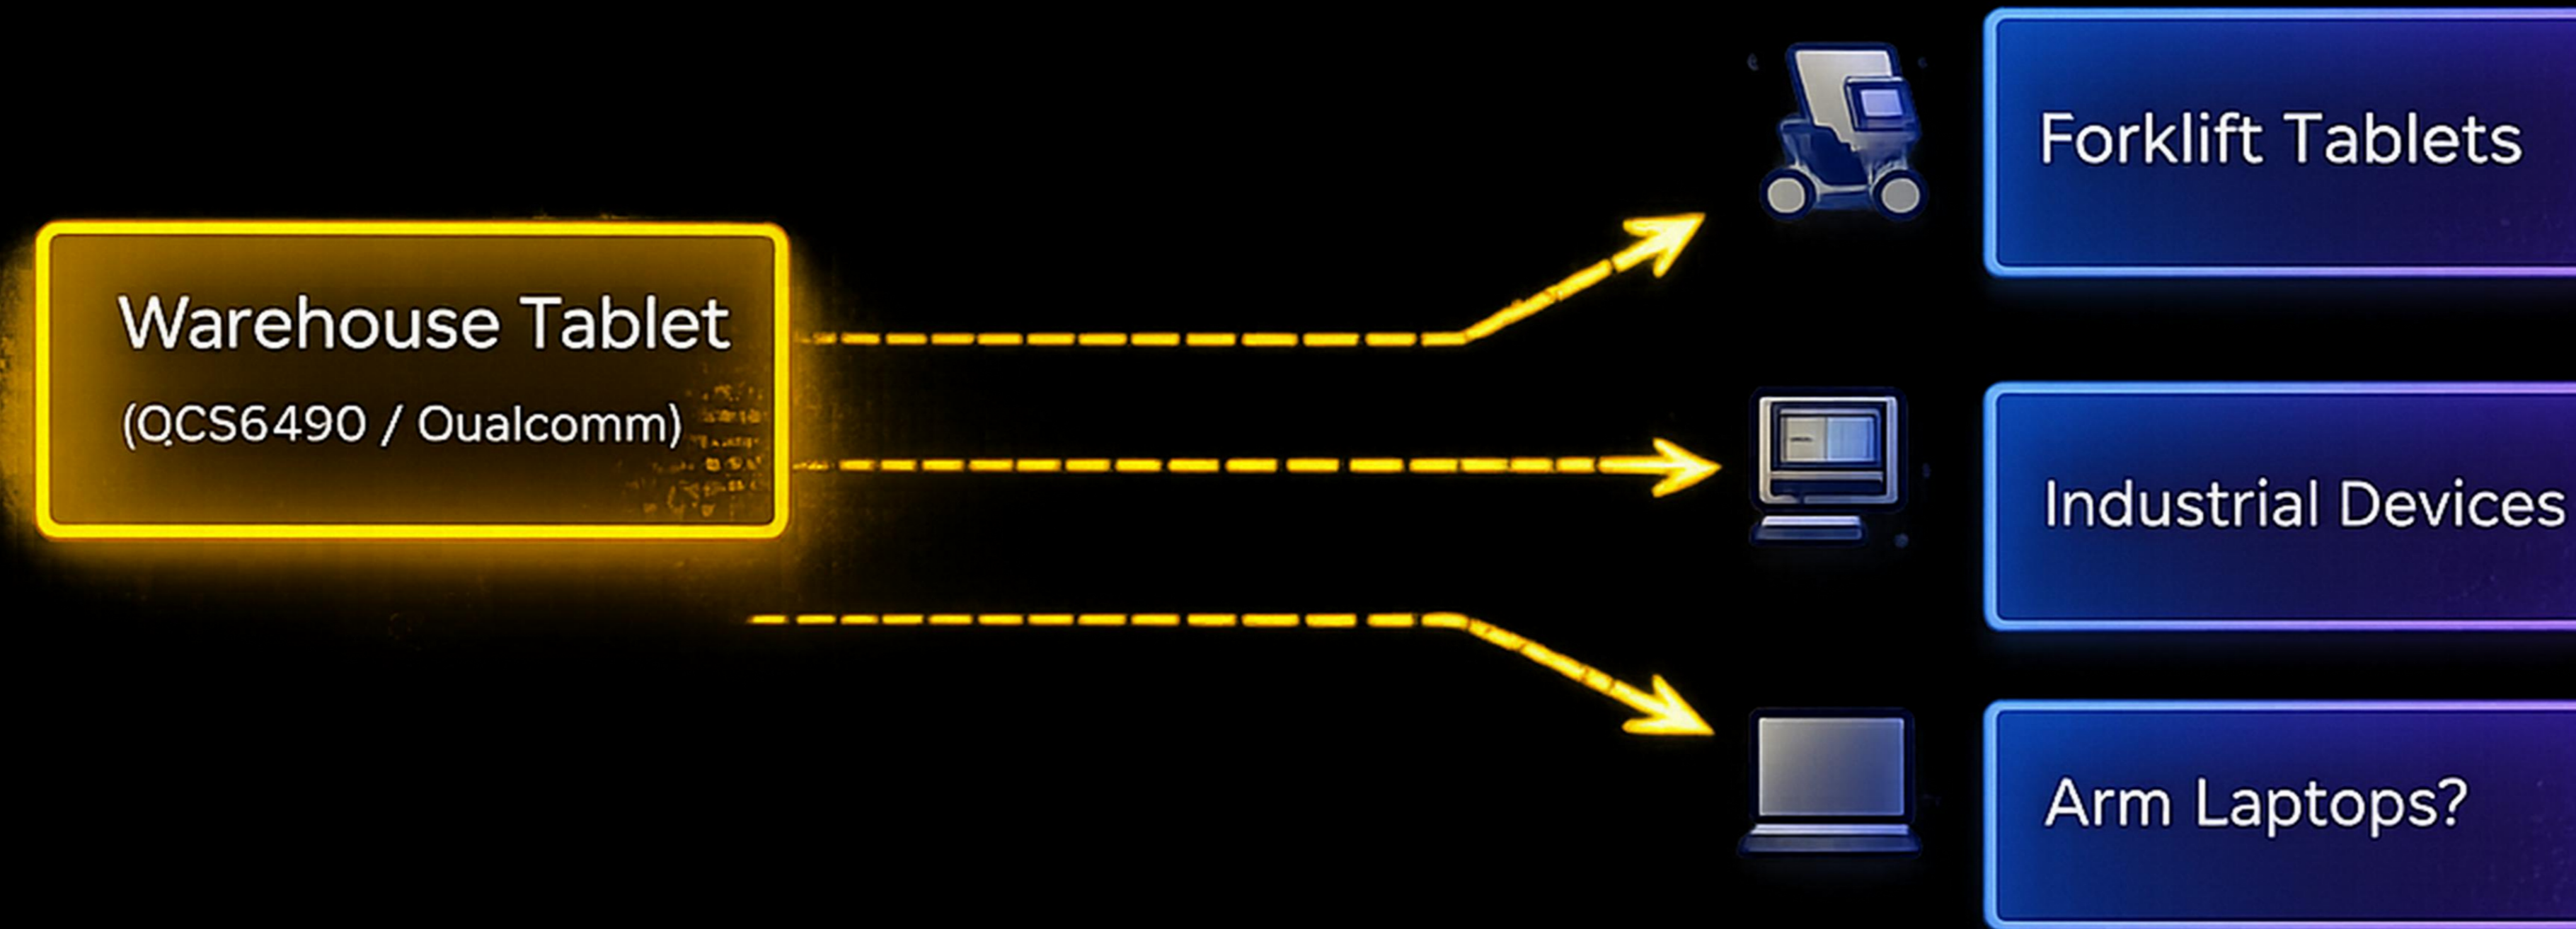

ARM Use cases

Under IT Control

Use cases drove  
Arm adoption  
**IGEL is delivering  
enterprise control**

# Start Focused, Scale with Demand

# Secure By Design, Managed By One UMS

One Policy. One Control Plane. **Any Architecture.**

IGÉL know  
& next

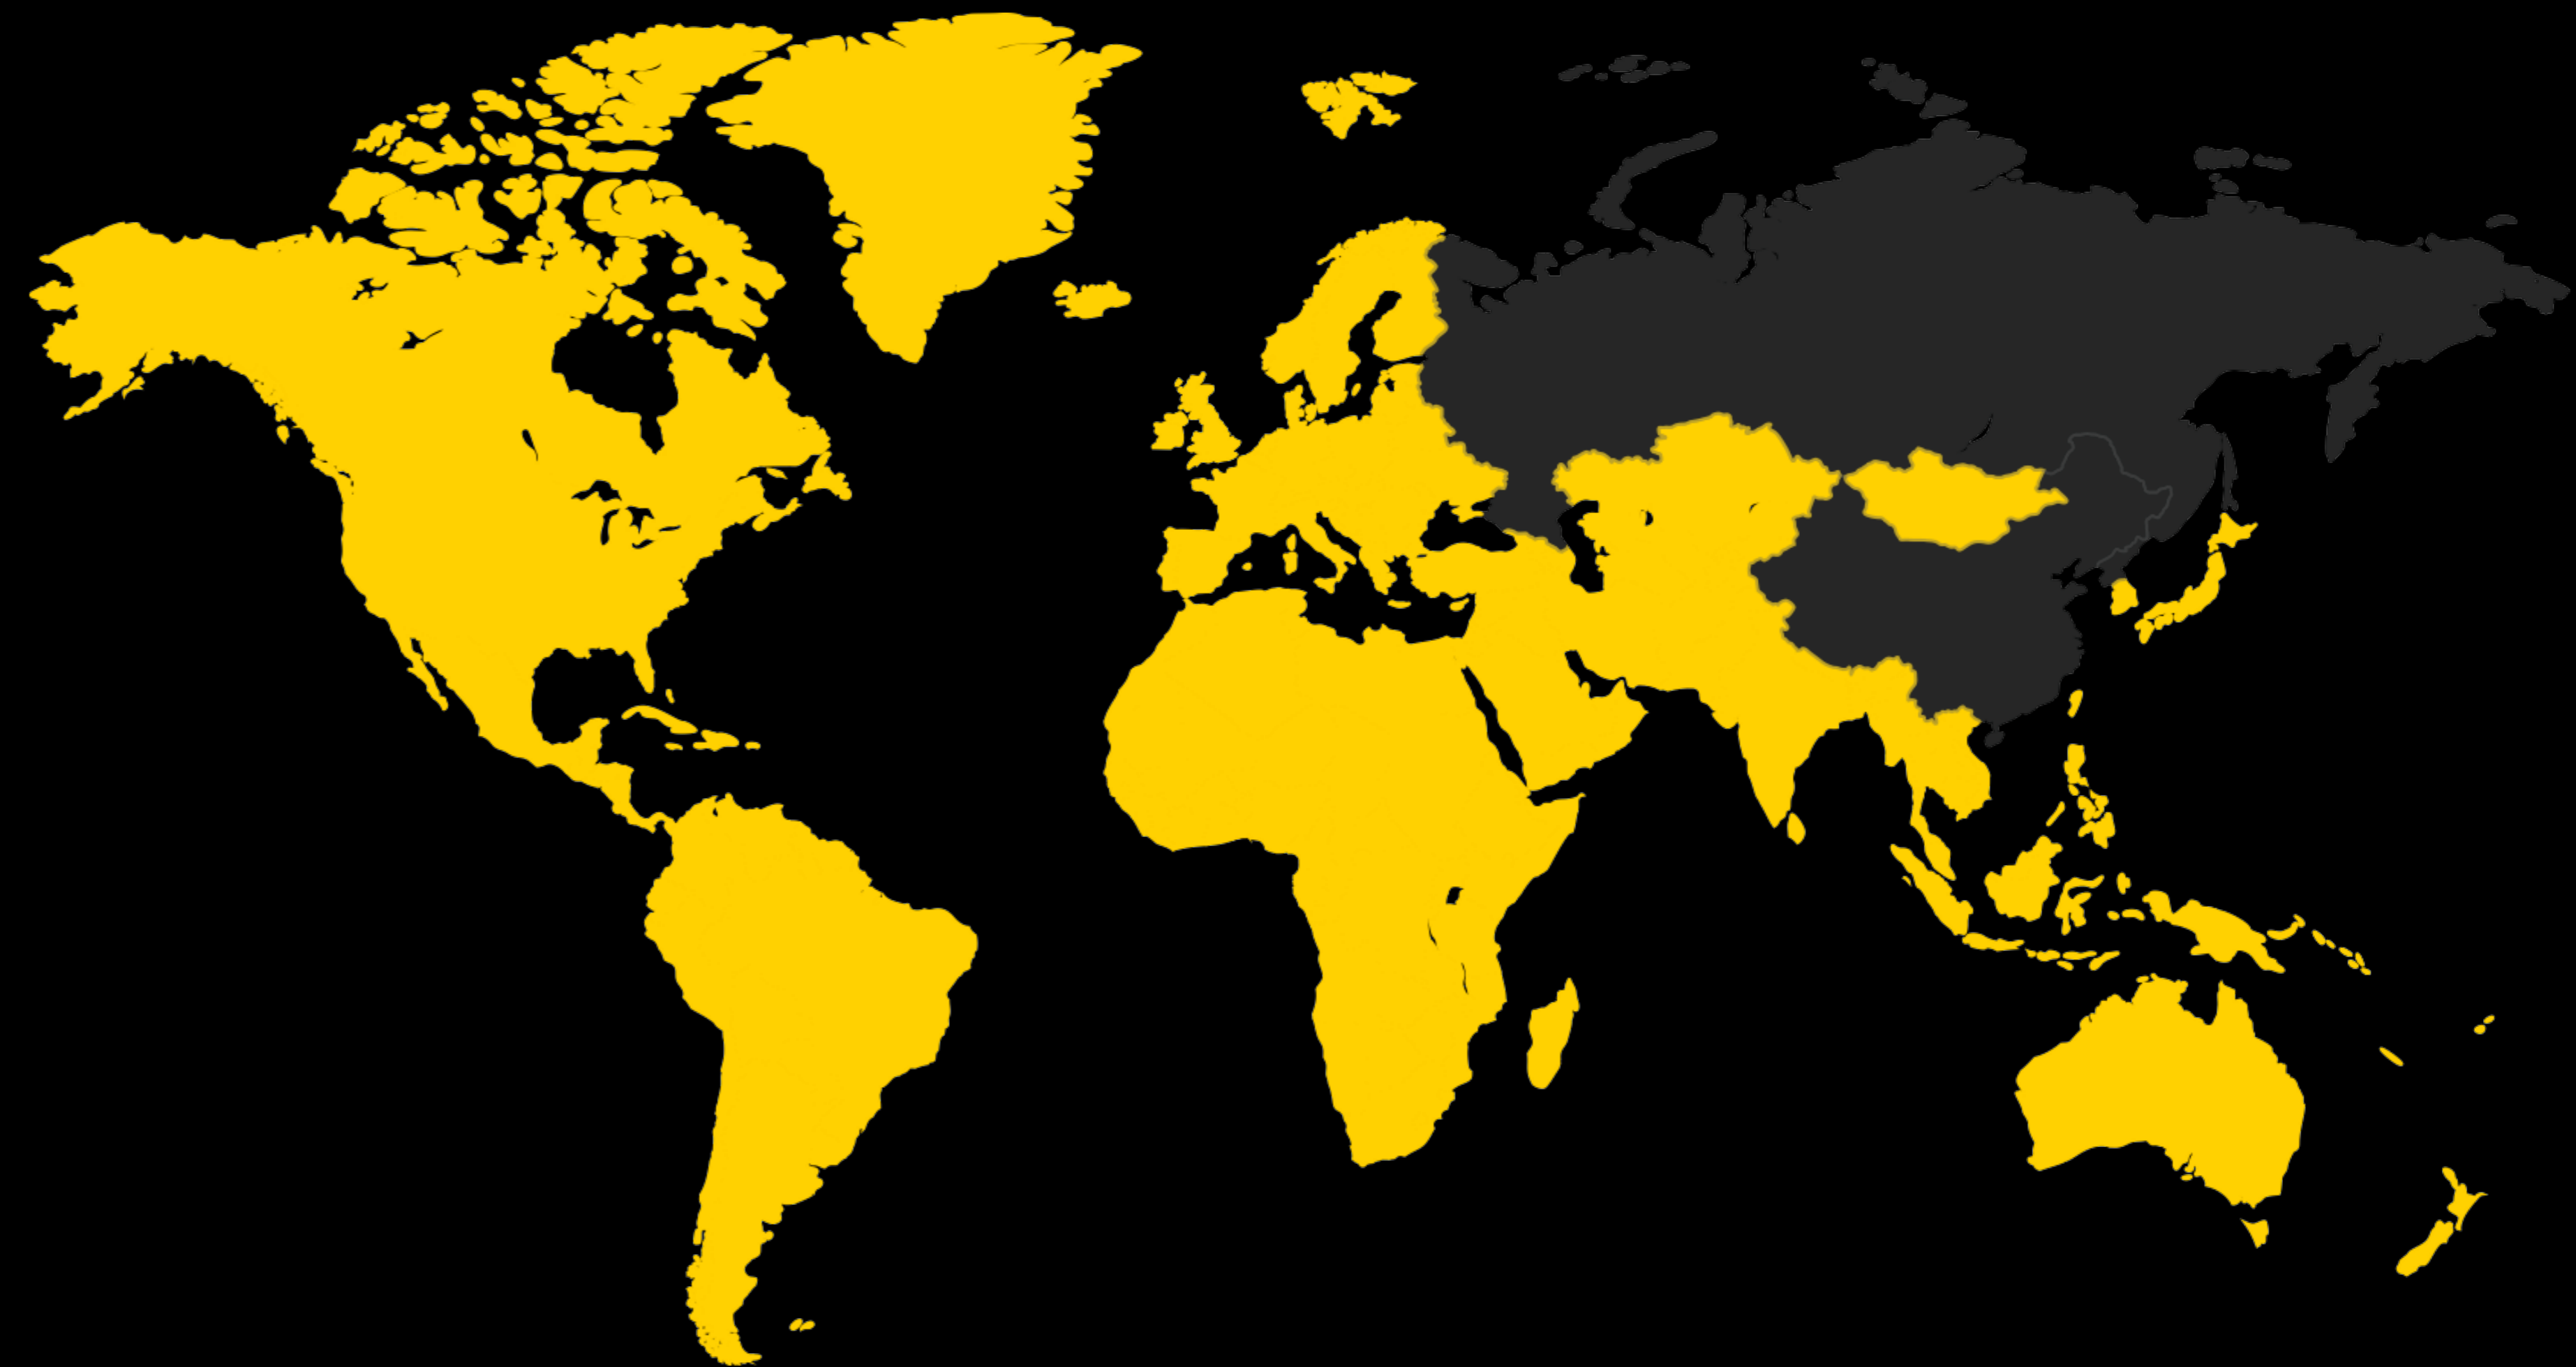

# Partner-integrated entry, same operational experience

- Enterprise Patch & Update Control
- Unified Policy Across x86 and Arm
- Sustainable Device Investment

Real · Expanding · Scaling
