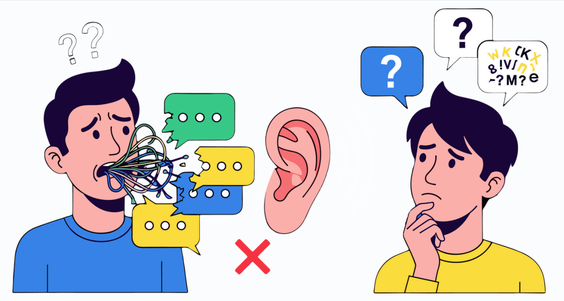
Think on Your Feet® for the Civil Service

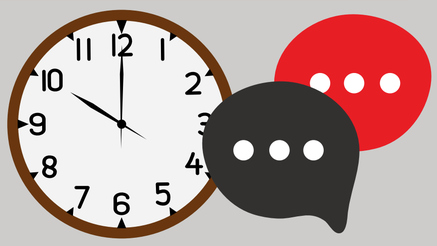
Government Campus-approved | Supports Civil Service Success Profiles

The Challenge

Many capable Civil Service professionals struggle with clarity and impact - not due to a lack of knowledge, but because they lack a reliable way to organise their thinking and respond in real time.



The Solution



Think on Your Feet® gives civil servants a proven way to organise their thoughts, stay composed and communicate with clarity under pressure.

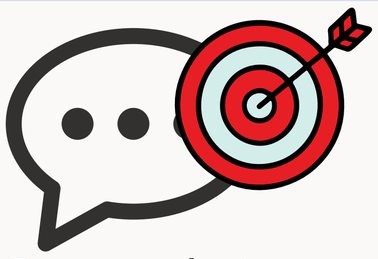
It's not about polished presentations - it's about confident, real-time thinking.

Participants can

Structure answers instantly

Stay calm & credible under scrutiny

Respond without appearing defensive



Convey their key message clearly

Success Profile Alignment

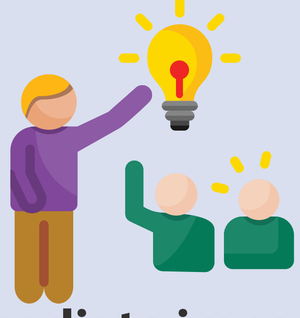
Success Profile	The workshop teaches you how to
Communicating and Influencing	Express ideas clearly, respond confidently, influence through logic and clarity.
Delivering at Pace	Frame responses from headline to detail, connect operational issues to wider priorities.
Seeing the Big Picture	Think/respond quickly under pressure, make confident decisions, maintain momentum.
Leadership (All Levels)	Speak with credibility, build authority, create clarity for teams and stakeholders.

Key Benefits

Confidence under pressure

Clear, concise communication

Greater credibility and influence



Immediate impact in meetings and briefings
